Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Quebec: The Laurentian Province Tm: subject! Dealt with in the following pages are various, yet the reader will probably be quick to note on important omission. L have, generally speaking, avoided politics; the present state of parties and political opinion in Quebec has been purposely left outside my scope. For nothing, it seems to me, has served more to give other com munities an erroneous notion of this Province than the occasional vehemence of local party feeling and the perversities of certain politicians.
