But when he decides to export the water from a salmon stream, he runs headlong into young Nora Montgomery, just arrived on the ferry with her piano and her dog. Nora has burned her bridges in the Lower 48, and she aims to disappear into this new homeland, with her piano as her anchor. But when Axel s next business proposition, a bear pit, turns lethal, Nora has to act. The clash, when it comes, is a spectacular and transformative act of resistance.
