By George Payne Rainsford James

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Henry of Guise or the States of Blois, Vol. 3 of 3 To this apartment the Prioress led her back again, after putting an end to her interview with Charles of Montsoreau, and though the good lady herself was by no means entirely weaned from the affections of this world, she thought it but befitting to read Mademoiselle de Clair vault a brief lecture on the necessity of attaching herself to higher objects, and an exhortation to abandon earthly attachments, and dedicate herself to the service of Heaven. She hinted, indeed, that there could not be an order more worthy of entering into than the one of which she was an unworthy member; nor, indeed, one in which so many of the little pleasures of life could be combined with deep devotion.
