Xulon Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a true story. The experiences recorded here happened because of a grave medical diagnosis and subsequent life-style change, all for the good. With or without such problems, our Father in heaven can give us what we need: Songs in our hearts, whatever is going on around us; real food for our bodies, whatever is being consumed around us; guidance and light; forgiveness when we ask; and even fellowship with one another. The message of this book is urgent and it begins with us. The answer to our health problems will not be found in a medical system! Lizzy became a health nut. This was not supposed to happen. An ovarian cancer diagnosis is supposed to turn an old lady Jesus freak like her into a suffering saint, instead of a victorious, happy health nut! Born in Virginia, Lizzy Lacy is a transplant to that sunny foreign land of California. Now, 23 years after the cancer diagnosis, she enjoys life with her husband, Glen, and their pets, Roxi and Lexi. She is living her childhood ambition of wife and mom, and has been blessed to become a grandma and great-grandma also. The mission of this book is to encourage you to eat only the good stuff, whole plant-based food, which is, of course, God's bountiful provision. Enjoy the recipes!.
