46 XLIN SEMINALS SAM N ME(TM) ADVENTURE BOOKS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. We had hardly any experience with bein seminal n were anxious t find out more bout what that meant. First off though, we had t figure out how t get Aunt Margaret, Nicole n Kate Lemrac teamed up with us agin because that was critical t creatin the four of us Seminals. Merlin helped us out with that. When we got back t Planet X, the first thing we did was help em find the key t fusin an Xlin, and a Atlantian. Now that we were seminals, we were able t do that. Ya ain t goin to believe the outcome of that fusion. That was only the beginning. The Xlins had been workin fer eons tryin t restore the atmosphere of their planet so they could live on the surface of it agin. When the first Xlin seminal was created, that seminal knew right off they could tap into knowledge n experience far beyond any us earthlin Seminals had. It took some doin but the mechanisms fer creatin that atmosphere they wanted was found. It was what happened once the atmosphere was back in place agin, that was beyond belief. Yer just gonna have t dive into this adventure head first with us. because there is no way I can prepare ya fer what we experienced. Come on team up with us n will take ya fer an adventure ya will never ferget. I know we shore won t. Always glad yer mind is part of what helps create these adventures. I know there is no adventure better than the one goin on in your head, as ya go along with us. Gramps.
