RV NOMADS: THE FULL TIME RV LIFE EXPLORED (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hundreds of thousands of Americans are unplugging from the traditional life, trading it all for one of minimalism, more control and constant nomadic adventures. They re doing this by moving into recreational vehicles, a transition that provides for a full time RV life and the ability to travel wherever they want, when they want and how they want to do it. RV Nomads, the book, explores the mindset behind this movement and investigates the lives of those making the switch. This book is filled with potentially life changing AHA moments that I must warn you, if you keep reading, may be the catalyst for some life changing decisions of your own. -Julie Bennett/RVLove.
