

BBC Earth: Where Animals Live Activity Book - Ladybird Readers Level 3 (Paperback)

By Ladybird

Penguin Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Animals can live in many different parts of the world - on hot sand, in the cold Arctic, in forests, and on mountains. Ladybird Readers is a graded reading series of traditional tales, popular characters, modern stories, and non-fiction, written for young learners of English as a foreign or second language. Beautifully illustrated and carefully written, the series combines the best of Ladybird content with the structured language progression that will help children develop their reading, writing, speaking, listening and critical thinking skills. The five levels of Readers and Activity Books follow the CEFR framework and include language activities that provide preparation for the Cambridge English: Young Learners (YLE) Starters, Movers and Flyers exams. BBC Earth: Where Animals Live, a Level 3 Activity Book, is A1+ in the CEFR framework and supports YLE Movers exams. The activities encourage children to practice longer sentences with up to three clauses, some expression of future meaning, comparisons, contractions and relative clauses.
