The Perseus Books Group, United States, 2016. Paperback. Book Condition: New. 2nd Revised edition. 210 x 140 mm. Language: English . Brand New Book. Mary Pipher's groundbreaking investigation of America's girl-poisoning culture, *Reviving Ophelia*, established its author as one of the nation's foremost authorities on family issues. In *Letters to a Young Therapist*, Pipher shares what she has learned in thirty years of clinical practice, helping warring families, alienated adolescents, and harried professionals restore peace and beauty to their lives. Through an exhilarating mix of storytelling and sharp-eyed observation, Pipher reveals her refreshingly inventive approach to therapy—fiercely optimistic, free of dogma or psychobabble, and laced with generous warmth and practical common sense. Whether she's recommending daily swims for a sluggish teenager, encouraging a timid husband to become bolder, or simply bearing witness to a bereaved parent's sorrow, Pipher's compassion and insight shine from every page. Newly updated with a preface by the author addressing the changes in therapy over the last decade and the surprising challenges of the digital age, *Letters to a Young Therapist* is a powerfully engaging guide to living a healthy life.
