Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Universal Hidden Insight explores the connection between love, existence and reality. This book is a guide to awakening and transformation, acting as a subtle but profound road map in helping you develop yourself, from the inside out. When we change our understanding, we change our perception, and as we change our minds, we transform ourselves. These individual transformations, when multiplied by the millions, create a wave of meaningful change to the landscape of the collective world we share. We are the key. Universal Hidden Insight will explore the most important questions and look past the boundaries of our current answers. We will be opening many compelling topics in a profound new light to explore: the Great Mystery, inner transformation, conscious evolution, our hidden power, Love as an ultimate Truth, spirit-science, ancient Egypt, the Sumerians, the Dogons, and Hopi to regain lost knowledge and history, synchronicity, ancient astronaut theory, disclosure, sacred geometry, the blueprint of life, megalithic structures and the hidden message behind them, acoustic energy, true healing, environmental and political issues, the connection between core theologies, the current paradigm and how to overcome it, enlightenment and activism, quantum physics, our creator influence over reality, the importance of the transitional time period we are each a central part of, and more!! Get ready to have your perspective shifted, this message will open up key doors to help lift the veil of past and present limitations. This is meant to help you live life for the right reasons, and find the Truth which has been hidden. There is a higher understanding to bring this all together. This is an inspiring, passionate and thoughtful presentation which will allow...
