Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A wilderness cabin becomes a dream-box of catastrophe and survival, in this true adventure with a paranormal twist. Will, a treeplanter, hikes with a companion to meet his wife and 3-year-old daughter in BC's remote Jumbo Pass. An overnight storm pushes Will to the brink of deadly choices, at fate's mercy. Their idyll darkens with Will's hellish predicament, as the seventh dream door crashes shut. He must act under agonizing pressure, and the disorientation of clashing realities. Will he find the strength and wisdom to overcome the odds and avoid disaster? *Rendezvous at Jumbo Pass* breaks the mold of linear narrative by splitting its ending into multiple, coexisting plot threads, or timelines, twisting away from a nightmare hallway of seven doors. The story plays out a mystery of magic realism against the backdrop of vast natural beauty in the Purcell Mountains of British Columbia (Think *Groundhog Day* in the heart of the Canadian wilderness). Once conceived as a choose your own adventure tale using hyperlinks, in this version the narrative is apparently linear, but not really. The *Groundhog Day* device of the time loop kicks in, and the main character must do the choosing himself, time after time until he gets it right. Genre categories: action and adventure, creative nonfiction, literary fiction, magic realism, metafiction, experimental. Exciting and honest writing that awakens us to our humanity and interconnectedness with nature. The gripping story technique creates a transparency in even the simplest activities of the characters, holed up in their remote cabin on the crest of a mountain, and that makes every choice, every moment verge on the miraculous. -Frank Burnaby, author of *Island Born Rendezvous...*
