NO TIME FOR MOURNING: BOOK FOUR IN THE BORROWED WORLD SERIES (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In The Borrowed World Series, America is brought to its knees by coordinated terror attacks against the infrastructure. After spending weeks walking across a violent and horrific landscape to reach his family, Jim Powell hoped they could weather this storm on their secluded Appalachian farm. They had prepared for this. They had armed for this. They could live without power and fuel. What happens, though, when the same qualities that drew Jim to his isolated valley begin to attract another armed group looking for a place to hide from the unrest of a starving nation? Franklin Horton s Borrowed World Series has been a bestseller in the categories of Post-Apocalyptic and Dystopian Science Fiction. He has been interviewed extensively for podcasts and for print media on the topic of preparedness. The series is noted for its realistic portrayal of how average Americans might be affected by societal collapse.
