This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).

Shalako Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.SKINS - A tale of a husband and wife caught in a futuristic war between good and evil, where loyalty and honor can cost you your life. Sarah broke the silence with each step as her boots crunched in the sand. She was alone in the desert and the heat was so intense it nearly evaporated the synthetic fluids in her joints. The desert sun showed no mercy for man, machine or cyborg for that matter. Death was the price of this war. No one was immune, and death was not prejudiced against human or machine. It was inevitable, but she didn't want to become another statistic. She needed a way to cheat death one more day. Mr. Flores new science fiction novel is sure to be thought provoking and interesting to those who pursue this adventure, and will find it to be like a jewel in a desert. Penelope Leight, Publisher Alondra Press.
