

Flood Basement: Poems (Paperback)

By Jeremy Stewart

Caitlin Press, Canada, 2009. Paperback. Condition: New. Language: English . Brand New Book. Jeremy Stewart's first book, (flood basement, is a young poet's search for and discovery of his place in the local landscape. The poet is haunted by the legacy of colonialism and propelled by the struggles of a community seeking its own identity. (flood basement is the raw, shocking and innocent journey of an emerging artist in a seemingly inflexible world. In this collection Stewart shares a collage of fragments that amount to a portrait of the Prince George of his youth, a transcription of a midnight audio journey, and an introspection of the fluctuating and sometimes fragile identity of the writer. Stewart's work pushes the boundaries of innovative and experimental poetry while weaving a visual narrative of the world in which he lives.
