## The Iranian Revolution of 1978/1979 and How Western Newspapers Reported It

By Edgar Klüsener

Grin Verlag. Paperback. Condition: New. 136 pages. Dimensions: 8.3in. x 5.8in. x 0.3in. Bachelor Thesis from the year 2006 in the subject History Europe - Other Countries - Newer History, European Unification, grade: 1, 0, University of Manchester (School of Languages, Linguistics and Cultures), 55 entries in the bibliography, language: English, comment: The Iranian revolution of 1978/79 did in many respects not fit the stereotypes of a Third World revolution. This study looks at how particular western newspapers, The Guardian and The Sueddeutsche Zeitung, have understood and reported the events. It also investigates what sources they used and how important the influence of news agencies was. Finally it analyses to what extent cultural misconceptions and prejudices have or have not tainted the reporting. , abstract: The Iranian revolution of 1978/1979 did in many respects not fit the stereotypes of a Third World revolution. What drove and held together the unique alliance between religious leaders, nationalists, and other groups of society, including the radical left, was therefore hard to understand for westerners. It was even harder to understand, that an Islamic cleric, whom many saw as a backwards religious zealot, could in the end overthrow the authoritarian regime of Shah Reza Pahlevi,...
