There is a definite game plan where you stick to the principles, apply the formula, and achieve wealth, regardless of the economic conditions. David Quintieri's book, The Money GPS, takes the complexity of the financial system and transforms it into simplicity. The frequent use of diagrams and charts allows the reader to learn visually, making a complex subject easy for anyone to learn. The clock is ticking in this world of paper money. Unpayable debts are piling up all over the world and are attempted to be resolved by adding even more debt.
