

Blitzed: Drugs in Nazi Germany (Paperback)

Filesize: 1.62 MB

Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Genoveva Langworth)

BLITZED: DRUGS IN NAZI GERMANY (PAPERBACK)

Penguin Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. THE INTERNATIONAL BESTSELLER The most brilliant and fascinating book I have read in my entire life Dan Snow A huge contribution. remarkable Antony Beevor, BBC RADIO 4 Extremely interesting . a serious piece of scholarship, very well researched Ian Kershaw The Nazis presented themselves as warriors against moral degeneracy. Yet, as Norman Ohler s gripping bestseller reveals, the entire Third Reich was permeated with drugs: cocaine, heroin, morphine and, most of all, methamphetamines, or crystal meth, used by everyone from factory workers to housewives, and crucial to troops resilience - even partly explaining German victory in 1940. The promiscuous use of drugs at the very highest levels also impaired and confused decision-making, with Hitler and his entourage taking refuge in potentially lethal cocktails of stimulants administered by the physician Dr Morell as the war turned against Germany. While drugs cannot on their own explain the events of the Second World War or its outcome, Ohler shows, they change our understanding of it. Blitzed forms a crucial missing piece of the story.
