St. Martin's Press, 2001. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "In the tradition of A Civil Action and In Cold Blood , this important and timely book reads like a riveting murder mystery . . . Alicia Mundy's book shines an overdue and informing spotlight on the immense, and not always well-used, power of national pharmaceutical corporations . . . over FDA regulators, over elected officials, and over the consuming public. Readers will leave Dispensing with the Truth" s final pages armed with new insightsand heightened concernsregarding the safety of the pharmaceuticals they consume. This is a significant and utterly engaging work of legal journalism at its best. It is also reminds us that lawyers can sometimes be heroes. And it makes me personally proud that some of the heroes in these pages are former students of mine."Alan M. Dershowitz, Felix Frankfurter Professor of Law at Harvard Law School "[A] sad, infuriating and important tale . . . [Mundy's] mastery of the massive scandal"s legal, political and regulatory issues is impressive, her documentation comprehensive. [S]he has produced an exemplary piece of reportage on an appalling and utterly needless catastrophe." The Washington Post "A great investigative reporter tells the story of how corporate greed and government incompetence combined to let a killer looseand what happened when the truth closed in."Sam Donaldson, Chief White House Correspondent for ABC News and co-anchor of This Week with Sam Donaldson and Cokie Roberts "Absorbing . . . a read that will have you gritting your teeth." Time "The subject of this fascinating book is the first wrongful death suit brought against a diet drug, Fen-Phen, an event that Mundy sets in the context of drug companies" greed, publicity spinning, and power over the Food and Drug Administration....
