Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Tuft-Hunter, Vol. 1 of 3 The morning breeze filled the atmosphere with sweets; and Agnes Callendar, fresh and hopeful as the morning itself, bounded with the light step of a light heart over the lawn, without any other shelter for her very pretty face and shoulders from the scorching sun than was supplied by her own dark flowing ringlets. All nature smiled around her; the twittering birds were throwing their soft shadows over the sunny lawn, and rustling amidst the blossom of the variegated groves. The golden wreaths of the laburnum and the silver knots of the chestnut streamed and glittered around. The bees were as busy as the birds, and the whole scene was suffused and penetrated with brilliancy and odour.
