RAMBLING JOT THOUGHTS OF LOVE WITH NO ENDING (PAPERBACK)

AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In hopes that more men and women will be able to let their sensitive issues become more open and less hidden within in a private manner as so many people do today, I share these thoughts. Men and women should be able to let their private issues in such areas as Love be less threatening to their masculinity and less dangerous as a weakness or sign of being frail, in women. To be able to pick up a pen and put your thoughts to paper in any situation is to, often, release communication that one verbally cannot express in true meaning. So often our thoughts are only passing images that cannot be recalled and to be able to store them, as we live them, is...
