University of Regina Press, Canada, 2004. Paperback. Condition: New. Language: English . Brand New Book. Amelia McLean Paget was born in 1867 at Fort Simpson, in what is now the Northwest Territories. Her father, William McLean, was a Scot involved in the fur trade and her mother, Helen Murray, belonged to an illustrious Metis family which had been active in the fur trade for generations. Amelia s life spanned some of the most tumultuous events in the West, including the disappearance of the buffalo, the North-West Resistance, and the establishment of the reserve system. She had a more sympathetic appreciation of Aboriginal culture than is found in many of her contemporaries. In *People of the Plains* (first published in 1909), she records her observations of the customs, beliefs, and lifestyles of the Plains Cree and Saulteaux among whom she lived. She died in Ottawa in 1922.
