The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.

Dover Publications Inc., United States, 2005. Paperback. Book Condition: New. New edition. 211 x 135 mm. Language: English . Brand New Book. Long used in telling fortunes and popular today among New Agers, Tarot cards are regarded by many as the training wheels on the bicycle of psychic development. Centuries of scientific progress have not diminished the irresistible attraction of gazing at picture cards to see the future and determine one's fate. This book by Arthur Edward Waite, the designer of the most widely known Tarot deck and distinguished scholar of the Kabbalah, is the essential Tarot reference. The pictorial key contains a detailed description of each card in the celebrated 78-card Rider-Waite Tarot deck, along with regular and reversed meanings. Contents describe symbols and secret tradition; the four suits of Tarot, including wands, cups, swords, and pentacles; the recurrence of cards in dealing; an ancient Celtic method of divination; as well as wonderful illustrations of Tarot cards. While the perfect complement to old-style fortune telling, The Pictorial Key to the Tarot also serves to make the Tarot entirely accessible to modern-day readers. It is also the classic guide to the Rider-Waite deck and to Tarot symbolism in general.
