

What the Best College Students Do

By Ken Bain

Belknap Press. Hardcover. Condition: New. 304 pages. Dimensions: 8.3in. x 5.6in. x 1.2in. The author of the best-selling book *What the Best College Teachers Do* is back with more humane, doable, and inspiring help, this time for students who want to get the most out of college and every other educational enterprise, too. The first thing they should do: Think beyond the transcript. The creative, successful people profiled in this book are college graduates who went on to change the world we live in—more than straight As. They used their four years to cultivate habits of thought that would enable them to grow and adapt throughout their lives. Combining academic research on learning and motivation with insights drawn from interviews with people who have won Nobel Prizes, Emmys, fame, or the admiration of people in their field, Ken Bain identifies the key attitudes that distinguished the best college students from their peers. These individuals started out with the belief that intelligence and ability are expandable, not fixed. This led them to make connections across disciplines, to develop a meta-cognitive understanding of their own ways of thinking, and to find ways to negotiate ill-structured problems rather than simply looking for right answers. Intrinsically motivated...

Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
