Lulu Press Inc, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Over sixty free verse poems well worth delving into like a box of chocolates. Taste the barely sweet to the almost bitter but with no aftertaste. Write the World with poems shares thoughts from light to dark on love, life, war and nature and the small things that matter in all of our lives. Travel with me from past to present and from other continents to home. Highly recommended even if you are not a poetry lover.
