

Dictionary of Translation Studies (Paperback)

By Mark Shuttleworth, Moira Cowie

St Jerome Publishing, United Kingdom, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Published at a time of unprecedented growth of interest in translation, the Dictionary of Translation Studies aims to present the insights of a number of different approaches to translation in an unbiased, non-partisan way. With more than 300 articles, this essential volume provides the reader with a snapshot of a rapidly developing discipline, based on work produced in several languages. With a clear, easy-to-follow layout, the Dictionary provides a comprehensive and highly accessible survey of key terms and concepts (such as Abusive Translation, Equivalence, Informationsangebot, Minimax Principle, Texteme and Thick Translation), types of activity (Autotranslation, Dubbing, Signed Language Interpreting), and schools and approaches (Leipzig School, Manipulation School, Nitra School). Each term is presented within the context in which it first occurred and is given a definition which is both clear and informative. Major entries include a discussion of relevant viewpoints as well as comments on how the usage and application of the term have developed subsequent to its coining. In addition, all entries provide suggestions for further reading, and there is an extensive bibliography included at the end. This is an indispensable tool for...
