## JUST A WORD ABOUT GRAIN DUST EXPLOSIONS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Just a Word About Grain Dust Explosions Friction between any two dissimilar bodies will produce static electricity. A spark of this type started a fire in an elevator head of a Southern export house. Since the elevator heads and legs were completely boxed in and the machinery was operating properly, there was absolutely no possibility of any cause for this fire except static electricity. The discharge ignited the dust in the elevator head, the flames burst out and caused a fire on the top floor. Fortunately, the plant was equipped with an automatic sprinkler system and the fire was extinguished before much damage was done. By grounding every elevator head in the building, this danger was eliminated, and since that time no fire or explosion has occurred in this plant. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
