Createspace, United States, 2010. Paperback. Condition: New. Greg Kelly (illustrator). Language: English . Brand New Book ***** Print on Demand *****. My Street, the economic avenue to Main Street. The My Street Project is the economic change needed to move our economy and society forward that starts at your doorstep. It s the roots of our economic flower where everything needed for growth, exists. In our communities, we have the resources, wants, and people necessary for economic and societal growth. Just like the roots of a plant gathering nutrients found in the ground, My Street works to develop and transport ideas into reality at the surface level of Main Street. Andrew Allen has a Finance Degree from Boise State University and worked for four years in the financial field before leaving it behind in 2009. Since then he has focused his work on developing micro economic systems that help social and business ideas become reality.
