Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****. I m M.C. McNellis. Thank you for taking the time to look at my collection! Growing up, I was one of those kids that asked a lot of questions about the world so, I ended up consuming countless issues of National Geographic Magazine, Eye Witness Books, and the World Book Encyclopedia. I read about lots of different subjects; rocks, glaciers, indigenous people, and my favorite - animals. To help me remember the facts and for the pure enjoyment of it, I frequently made little illustrated books out of scraps of paper that were held together by tape and staples about whatever creature was interesting me at the time. These hand-bound books I made as a child are not much different than my current work (although my language skills have improved and my renderings are much better). Although I've always enjoyed it, reading non-fiction can be a chore. The dry, academic style of writing can be uninteresting and difficult to absorb. This can be especially true for young people. However, when a fun cartoon/illustration pertinent to the narrative shows up it can be quite refreshing and makes a particular passage or chapter quite memorable. Aside from learning more about the world around me, this was and still is my favorite part of reading non-fiction. So, why not make an entire book like that?! This is exactly how I have been able to successfully combine my love of animals, artistic talent, sense of humor, and habit of using metaphor and analogies in a meaningful way. Each book outlines the behavior and characteristics of unique and extraordinary members of the animal kingdom with (mostly) encyclopedic style text...
