This is Volume 2 in this series of books with images derived from characters in Alice in Wonderland. Although Alice, The Red Queen, The Black Queen, Humpty Dumpty, The Caterpillar, Tweedle Dee and Tweedle Dum, and The Mad Hatter all had their part to play in the creating of these designs they are not recognizable as characters herein. Suffice it to say that computer manipulation of the original images of the above mentioned characters have produced several images in these Colour Me Doodles books. A little something for every colourist and every occasion is included in this series of Colour Me Doodles Adult Colouring Books. Some of the images are intricately detailed and will take the colourist some time to complete. These are the ones that will allow you to meditate and let your mind wonder as you survey the intricate patterns deciding on your choice of colours and envisioning of the design you see emerging before you. There are others that can easily be completed in one sitting, as you relax for the evening or gather with family and friends to enjoy a fun filled session of colouring. Then there are other images which can easily be completed while waiting for your doctor or dental appointment. Whatever your mood you can find something to entertain you in this Colour Me Doodles adult colouring book.
