Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Kian Harber)

MAYA DEREN AND THE AMERICAN AVANT-GARDE

University of California Press. Paperback. Condition: New. 333 pages. Dimensions: 8.9in. x 6.0in. x 0.9in. Regarded as one of the founders of the postwar American independent cinema, the legendary Maya Deren was a poet, photographer, ethnographer, filmmaker and impresario. Her efforts to promote an independent cinema have inspired filmmakers for over fifty years. *Meshes of the Afternoon* (1943) ranks among the most widely viewed of all avant-garde films. The eleven essays gathered here examine Maya Derens writings, films, and legacy from a variety of intriguing perspectives. Some address her relative neglect during the rise of feminist film theory; all argue for her enduring significance. The essays cast light on her aesthetics and ethics, her exploration of film form and of other cultures, her role as (woman) artist and as film theorist. *Maya Deren and the American Avant-Garde* also includes one of the most significant reflections on the nature of art and the responsibilities of the filmmaker ever written—Deren's influential but long out-of-print book, *An Anagram of Ideas on Art, Form and Film*, in its entirety. Among the topics covered in this volume are Deren's ties with the avant-garde of her day and its predecessors; her perspective on vodoun ritual, possession ceremonies, and social harmony; her work in relation to the modern dance tradition and its racial inflections; her thoughts, written in the shadow of Hiroshima and Nagasaki, about science, including how form can embody moral principles; the complex issue of the woman artist in an avant-garde dominated by men; her famous dispute with Anas Nin; and an exploration of issues of identification and desire in her major films. As the first critical evaluation of the enduring significance of Maya Deren, this book clarifies the filmmakers theoretical and cinematic achievements and conveys the passionate sense of moral purpose she felt about her...
