CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 82 pages. Dimensions: 9.8in. x 7.9in. x 0.2in. The nuts and bolts of documentation for the three most popular systems--MLA, APA, and CMS (Chicago Manual of Style)--laid out in an exceptionally clear and easy-to-follow format. Why consult multiple (and often lengthy) style guides when you can see the three most widely-used methods, side by side, in this slim, focused volume by Larson? The book rightly divides the documentation process into two parts: In-Text Citation and Bibliographic Citation. Each part starts with a brief section on General Principles and then proceeds to give numerous common examples, where the exact same citation is seen three different ways, once each for MLA, APA, and CMS. And at the end of the book's second part are complete sample bibliographic pages for each of the three systems: a Works Cited page for MLA, a References page for APA, and a Notes page for CMS. This text is time and classroom-tested through Larson's long experience as an instructor of English at the college level. He knows what writers need to know about documentation, and he knows how to communicate that in the clearest, most efficient way. If you are looking for a simple, one-volume source on documentation to take you through your college years and beyond, this book might be the only one you'll ever need. This item ships from La Vergne, TN. Paperback.
