## LAST HOPE 2 (PAPERBACK)

Createspace, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. We are a group of survivors of a plague which destroyed civilization as we knew it. Those affected by the plague are now zombie-ish types, intent on our deaths. We have built a community, based on respect and dignity, where all have a voice, where all is shared. At first it was what we had to do but, became the way we do, because it works best that way. We have fought them several times and took large numbers of them out, yet, they still come, in even greater numbers. This is not a world for the weak of heart. All has changed, and we find that we also have changed. No longer are we just a collection of survivors, but a true family. Dedicated to each other with bonds built strong with the love we share for the community. We are far stronger now and have great hope for the future. Now all we have to do is get the growlers to leave us the Hell alone! They re back and deadlier than ever! Don is still reeling from the realization that the majority of the population has devolved into mindless zombies. Having saved a few survivors from the Denver area, they have managed to build a small community, but why were they left unaffected, while the rest of the world succumbed? And can they manage to stay a step ahead of the growlers? Join us for the exciting sequel to Last Hope and find out.
