While all seems set for Ceony to complete her apprenticeship and pass her upcoming final magician s exam, life quickly becomes complicated. To avoid favoritism, Emery sends her to another paper magician for testing, a Folder who despises Emery and cares even less for his apprentice. To make matters worse, a murderous criminal from Ceony s past escapes imprisonment. Now she must track the power-hungry convict across England before he can take his revenge. With her life and loved ones hanging in the balance, Ceony must face a criminal who wields the one magic that she does not, and it may prove more powerful than all her skills combined.
