GRAPHIC NOVELS AND MULTIMODAL LITERACY

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A Reader Response Study | Graphic novels have attracted much media attention in recent years. Blockbuster movies based on graphic novels and the popularity of manga have increased their visibility. Bookstore sales and library circulations of graphic novels have risen markedly. Having lost the stigma of the lowly comic book, graphic novels are firmly entrenched in pop culture. This book examines high school students responses to an art graphic novel and how...

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
