

NHS Jargon Explained (Paperback)

By Tony White

Taylor Francis Ltd, United Kingdom, 2010. Paperback. Condition: New. 1 New ed. Language: English . Brand New Book. Why is TALOIA bandied about in clinics and on wards? Who - or what - is DAN? If someone mentioned Practice Based Commissioning or the Standardised Mortality Ratio, would you understand what they meant? Like any specialised area, the NHS generates clouds of terms, acronyms and shorthand vital for those in the know but virtually impenetrable to outsiders or those new to healthcare. New acronyms or the jargon of areas outside their immediate expertise can be utterly baffling even to old hands. This book brings together an up-to-date, clearly explained glossary of specialised terminology and acronyms used at all levels of the NHS, from primary care surgeries to hospital wards, admin departments to executive boardrooms. It is essential reading for workers in the NHS at all levels, including managers, administrators and clinical professionals, and for managers and staff at commercial companies working with the NHS. Specialty registrars and consultants can also find this information, and much more, in The Doctor s Handbook Parts 1 and 2, by the same author. NHS Jargon Explained will also be of interest to campaigners, patient interest..

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Aliya Franecki**

It in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
