By Lee Child

Random House USA Inc, United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. There s deadly trouble in the corn country of Nebraska . . . and Jack Reacher walks right into it. First he falls foul of the Duncans, a local clan that has terrified an entire county into submission. But it s the unsolved, decades-old case of a missing child that Reacher can t let go. The Duncans want Reacher gone--and it s not just past secrets they re trying to hide. For as dangerous as the Duncans are, they re just the bottom of a criminal food chain stretching halfway around the world. For Reacher, it would have made much more sense to put some distance between himself and the hard-core trouble that s bearing down on him. For Reacher, that was also impossible.
