I m Allergic to Wheat

By Maria Nelson

Gareth Stevens Publishing, United States, 2014. Paperback. Book Condition: New. 177 x 173 mm. Language: English . Brand New Book. Wheat allergies are some of the most common food allergies in children. They often develop in babies and toddlers, and can cause uncomfortable symptoms. Fortunately, many outgrow the allergy. However, its important to know how to identify a possible allergic reaction and what to do. Readers learn this and more, including the causes of wheat allergies and the difference between a wheat allergy and celiac disease. Full-color photographs augment the main content and show food labels wheat-allergic readers should look for.

Reviews

Absolutely essential read publication. It is amongst the most incredible book i have study. Your lifestyle period will be convert when you full reading this ebook.
