Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many people have their ideas about the truth of things like UFO s, but most do not spend much thought about it until they see one. A special group of people have such an intense interest that they dedicate much of their life in research, attending conferences and traveling to obscure places called hot spots where they have the best chance of seeing UFO s or ghosts or strange animals that science does not admit exist. When I wanted to find out what was true and what was not, I decided the best place to go was to the one best conference where I could meet the people who gave the talks and claimed to have the experiences-by becoming a conference volunteer. That was the IUFOC. You see conferences now that use the name but they are not the same. After 20 years, things had changed and most conferences are circuit speakers who have a lot of ideas about what is what. This book tells of the early years when anyone could walk in to the conference with a video and if it was interesting we would put them on the program. Much of what went on was odd and a lot of fun, and a good part of it, I think, was real. Is it a government conspiracy to now have well dressed speakers with glossy books for sale, and a new idea that keeps them on the circuit next year, but who never got their shoes muddy at a hot spot ? The old days are gone forever, and I am glad I was there to share them, working as night security on the conference desk. I recently became a...
