TEXTBOOK OF RABBIT MEDICINE

Butterworth Heinemann, 2001. Gebundene Ausgabe. Condition: Neu. Neu Neuware, Importqualität, auf Lager, Sofortversand - Although a lot has been written on the rabbit, much is anecdotal and aimed at the pet owner rather than the veterinarian. Textbook of Rabbit Medicine however, has been specifically written for the veterinary practitioner, using evidence-based material and providing a comprehensive guide to the diagnosis and treatment of conditions affecting pet rabbits. Basic husbandry, behaviour and nutrition are explained within the concept of health and disease....

Reviews

This publication is wonderful. Better than never, though I am quite late in starting reading this one. I am very happy to tell you that here is the best book we have read through inside my personal daily life and could be the finest PDF for actually.

-- **Ms. Sydnee Lesch**

It is really an incredible publication that we have possibly studied. Of course, it really is engaging, continues to be an interesting and amazing literature. You are going to like how the writer composes this publication.

-- **Bailey Lehner**

Thorough information! It's such an excellent read. It is really simplistic but unexpected situations within the fifty percent of your PDF. Once you begin to read the book, it is extremely difficult to leave it before concluding.
