Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Sermons: Preached in St. Mary s Church, Marylebone Mark, first, that this active looking out for that which shall teach us more of God and ourselves is no part of men s ordinary character. Speaking of our neighbours in the mass, we could not describe them as eager in the search after hidden verities, or as carefully availing themselves of every help towards spiritual improvement. Alas! A dull contentedness with their present selves, their present doings, their vague hopes, their imperfect repentance, seems to be the prevailing characteristic. More than half our hearers have their own theory about religion, their own code of morality, their own notions of the Christian character, their own answers to plain-spoken exhortations about holy living; and having taken up their position, as in a fortress of security, they will do battle for it with as much zeal as if an Angel had brought them a message from heaven, or a Prophet had charged them with his dying lips to receive no other doctrine.
