2016. Hard Cover. Condition: New. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. Drawn from some of the world's most prestigious collections, this comprehensive work is a visual and historical reference exploring the craftsmanship and technical progress of German pistol development during the 1914-1945 World War I, Weimar, and Third Reich years. Using specially commissioned color photography, these ultra-rare and priceless side arms, many of which are shown for the first time, are displayed in stunning detail, highlighting the engravers' art, intricate designs, and ornamentation. Important weapons - from Luger, Walther, Mauser, and many others -- belonging to aristocracy and heads of state have been selected to provide the reader with an appreciation of the gunsmith's artisanship. Rare prototypes illustrate key technical innovations, many of which remain prominent features in modern firearms today. Finally, rare pistols used for military trials are also included, marking the evolution of the pistol as an effective military weapon. 290 color images.
