Masterpiece Factory, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this Encouragement story, a man learns that his son has been born with hemophilia and autism. The stress of the situation catapults the father into single parenthood and he is forced to endure a difficult court battle for sole custody of his disabled son. Through diligence and determination, he develops methods to further help his troubled child. More importantly, he stumbles upon what he believes is his personal calling in life and his purpose for living. With the realization that he has discovered unique methods and tools to cope with parenting difficulties, the man s focus is now fulfilling his dream of establishing himself as a writer of children s literature. While very personal, my story is written in such a manner as to impart a lesson and to aid parents of (Autistic) physically/mentally/emotionally challenged children by helping them to cope with the situations they face. I am not necessarily saying that my way is the way, but rather I am saying, Here are examples that you can use to help to imagine coping mechanisms that will work specifically for your...
