Salem Press Inc, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. Stephen King has been terrorizing America ever since *Carrie* was published in 1974. Amy Palko describes how King has attempted to straddle the gap between popular fiction and serious literature, and Philip L. Simpson reviews King's popular and critical reception. Dominick Grace examines the metafictional elements of three King works, and Matthew J. Bolton demonstrates how Robert Browning...
