Reviews

*This pdf can be worthy of a read through, and superior to other. It generally does not expense excessive. Its been printed in an exceptionally simple way and it is just soon after i finished reading this ebook in which in fact modified me, change the way i really believe.
(Mr. August Hermiston PhD)*

INFIDEL DEATH-BEDS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Infidel Death-Beds There is a great deal of truth in this vigorous passage. I fancy, however, that some of the dupes of priestcraft are not absolutely impregnable to terrestrial logic, and I discuss the subject for their sakes, even at the risk of being held guilty of ineptitude. Throughout the world the religion of mankind is determined by the geographical accident of their birth. In England men grow up Protestants; in Italy, Catholics; in Russia, Greek Christians; in Turkey, Mohammedans; in India, Brahmans; in China, Buddhists or Confucians. What they are taught in their childhood they believe in their manhood; and they die in the faith in which they have lived. Here and there a few men think for themselves. If they discard the faith in which they have been educated, they are never free from its influence. It meets them at every turn, and is constantly, by a thousand ties, drawing them back to the orthodox fold. The stronger resist this attraction, the weaker succumb to it. Between them is the average man, whose tendency will depend on several things. If he is isolated, or finds but few sympathizers, he may revert to the ranks of faith; if he finds many of the same opinion with himself, he will probably display more fortitude. Even free thinkers are gregarious, and in the worst as well as the best sense of the words, the saying of Novalis is true My thought gains infinitely when it is shared by another. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses...
