Andrews McMeel Publishing. Hardback. Book Condition: new. BRAND NEW, Prudent Advice for Every Woman, Jaime Curtis, Thoroughly modern and atypically witty, this keepsake edition overflows with insight that is occasionally time-honoured (There is no substitute for baking soda), sometimes tactical (Anytime you are debating whether to shower or not, take the shower), and other times incredibly profound (When something tragic happens to someone you care about, do not ignore them just because you don't know what to say). This primer of 500 lessons, observations, and knowledge--originally compiled for the author's baby girl--is a compelling guide to finding beauty in the world and in oneself, with a distinctly fresh twist.
