

The Ladybird Book of the Zombie Apocalypse (Hardback)

By Jason Hazeley, Joel Morris

Penguin Books Ltd, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. THE PERFECT STOCKING FILLER for those who know that the end of the world is approaching . . . Lara has constructed her own home-made flame-thrower. The flame-thrower has turned the walking corpses into burning walking corpses. Now everything they touch catches fire. This did not happen with the cricket bat, thinks Lara. Some people say civilisation after a zombie apocalypse will go back to The Stone Age. Nobody tidies up or collects the bins. The electricity keeps going off. There are dead bodies piled up in the streets. It is actually more like the 1970s. This delightful book is the latest in the series of Ladybird books which have been specially planned to help grown-ups with the world about them. The large clear script, the careful choice of words, the frequent repetition and the thoughtful matching of text with pictures all enable grown-ups to think they have taught themselves to cope. Featuring original Ladybird artwork alongside brilliantly funny, brand new text. **Hilarious Stylist** Other new titles for Autumn 2016: *How it Works: The Student* *How it Works: The Cat* *How it Works: The Dog* *How it Works:...*
