Four terms are critical for understanding the discussion in this section. Because they are not standard terms, they are defined below: 1. A Focal Area is a category of problems or issues related to change. It is part of a systematic scheme for organizing knowledge. It is subdivided into several Focal Topics. 2. A Nugget is a chunk ( discrete, focused unit ) of knowledge expressing a leaders perspective on a problem or issue. It is a piece of an interview transcript selected edited to meet criteria for unity, stand-alone character, etc. 3. A Principle is a generalized truth about leading units during transition. It provides a basis for organizing solutions to change management problems. 4. A Rule is a how-to guideline for handling change-related problems. It is a form of practical advice offered for consideration. It is specific to an operational context. Appendix A presents the final list of Focal Areas and Topics. Appendix B contains the protocols...
