## THE STRANGE CASE OF DR JEKYLL AND MR HYDE (PAPERBACK)

Prohptikon Publishing Inc, Canada, 2011. Paperback. Condition: New. Language: English . Brand New Book. This small novella tells the tale of two impossibly intertwined gentlemen living in Victorian London--the friendly and sociable Dr Jekyll, and the monstrously deformed, obviously dangerous Mr Hyde. As Mr Hyde s crimes gain the attention of the police, the manhunt is on; but every lead on Hyde consistently leads back to Jekyll instead. When the darker truth of Hyde s identity becomes clear to all, that the monstrous predator of London s industrial-fog enshrouded streets is none other than Jekyll himself, transformed by a tincture of his own making, he sets forth to destroy himself and bring down Hyde with him. Allegedly written within a single week under the influence of cocaine, The Strange Case of Dr Jekyll and Mr Hyde is one of Scottish prose-poet Robert Louis Stevenson s most famous and influential works. It has been remade and adapted into numerous other mediums, including film, television, stage performance, and graphic novel; endlessly quoted in a host of derivative works, speeches, and religious sermons; it even served as the foundation of Freudian psychology and the inspiration for Freud s allegorical tale, The Beast Within. It is widely considered to be the quintessential tale on the duality of the individual, and the danger of suppressing humanity s baser instincts for the outward appearance of morality.
