Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

(Matilda Hoeger V)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. J P Hattsmith (illustrator). Language: English . Brand New Book ***** Print on Demand *****. A NINE-YEAR-OLD GIRL. A MAGICAL SKETCHBOOK. A HUGE IMAGINATION. A LOT OF TROUBLE. Amy Carr is old enough to know that the men in hard hats have not come to the house to drink tea and chat to her Dad about football. The penny drops when a bulldozer arrives and a medicine ball reduces her home to rubble! Amy finds an old sketchbook in the ruins, and soon discovers that whatever she draws in it comes to life. This opens up a world of imagination, before becoming a national emergency when Amy moves from drawing small playful bugs to giant spiders and dragons! That s when the serious-looking men wearing black suits and shades arrive in the town, with one mission in mind: To retrieve the book and put an end to the chaos. THIS BOOK BELONGS TO is a warm, fast and funny tale of adventure, family and the joys of creativity.
