BRITISH ENGLISHWord count: 6,360Headword count: 628 Each book includes a full recording of each story online.PLUS: visit for videos, teacher resources and self-study materials. This book is Level 1 in the Collins ELT Readers series.Level 1 is equivalent to CEF level A2. About the Amazing People series:A unique opportunity for learners of English to read about the exceptional lives and incredible abilities of some of the most insightful people the world has seen. Each book contains six short stories, told by the characters themselves, as if in their own words. The stories explain the most significant parts of each character s life, giving an insight into how they came to be such an important historic figure. After each story, a timeline presents the most major events in their life in a clear and succinct fashion. The...

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Absolutely among the best publication I have got at any time go through. It really is writter in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.
