

Fishes From Nansha Island to South China Coastal Waters(1) (In Chinese and English bilingual)

By Chen Qingchao and Shi Changtai

Science Press, Beijing, 1997. Hardcover. Condition: New. First Edition. 1997/ 202 pages, 564 color photo Nansha Islands, China's only sea region close to the equator, is abundant in Indo-Malay tropical fauna with high biodiversity. Fishes living in the vast sea regions from Nansha Islands northward to Xisha Islands, Zhongsha Islands, Dongsha Islands, waters off Hainan Island, Beibu Gulf and South China coastal waters, are complex in species biodiversity and variable greatly in ecological characteristics, i.e., there are pelagic species, species of coastal zone in continental shelf, species of coral reef and species from deep sea basin several thousand meters in depth. Today, how to utilize the fishery resources of South China Sea more efficiently and continually has become an important subject for study in consideration of developing while strengthening protection on these resources. This collection of fishes in Nansha Islands and South China coastal waters is compiled and edited by scientific personnel who carried out the very in-situ investigation and classification in recent years. The authors contribute the book to and believe that the book to and believe that the book, 564 species, 301 genus, 139 families described, will be of reference value to persons who engage in fishery production and...

Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.

-- **Juston Mraz**

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
